

Tele-Vacation Survey 1.

This survey should be completed by you, the kid. Mom or Dad can help if you're having trouble understanding the question, but the survey should have *your* answers. If Mom or Dad wants to answer the questions, they should take *their own* survey.

This survey is to serve as a reference point for measuring your Tele-vacation. **This is not a test. There are no right or wrong answers.** Please be as honest as you can.

In order to even have a chance of winning one of the prizes, you must complete this survey. To *keep* your chance of winning a prize, you must also complete a follow-up survey. Your follow-up survey will be mailed to you. It must be completed and returned to NP-AHEC by April 30, 2009. If we don't have it by then, you definitely will NOT get a prize. Prizes will be awarded by May 31, 2009.
